

Travel and Reimbursement Policy

1. Domestic Travel

Employees traveling domestically for official work are entitled to economy class airfare for journeys exceeding 500 kilometers, and rail or road transport for shorter distances. Travel must be booked at least 5 working days in advance through the corporate travel desk.

2. International Travel

International travel requires prior written approval from a Department Head and the Finance Controller. Business class airfare is authorized only for flights exceeding 6 hours for employees at the Director level or above.

3. Daily Allowance

A daily allowance of INR 2,500 is provided for domestic travel to cover meals and incidentals. For international travel, the daily allowance varies by country and is published separately in Annexure C of this policy.

4. Accommodation

Hotel accommodation should not exceed INR 8,000 per night for domestic travel unless the corporate rate at the destination city is higher, in which case the corporate rate applies.

5. Reimbursement Submission

All travel expense claims, along with original receipts, must be submitted within 15 days of completing the trip. Claims submitted after 30 days will not be processed except with special approval from Finance.
